## SLA After-School Enrichment Activity Descriptions

**Yoga and Mindfulness Class** - Yoga has been shown to improve students' physical health, behavior and academic performance Increase confidence and positive self-image Stress management and coping mechanisms Physical benefits including strength, balance, flexibility. **Mondays, 6 classes, starting January 23rd. TOTAL COST \$30 (class size is limited to 20)**

**Leadership Junior Robotics Class** will be offered by Bricks for Kids. Students learn the basics of programming using WeDo software, a visual, drag-and-drop environment designed for LEGO motors and sensors. Each week, a new concept about programming is taught, building a project using Bricks 4 Kidz plans and LEGO bricks, motors and sensors, then kids apply the programming lesson to move the model. **Thursdays, 7 classes, starting January 26th. TOTAL COST \$78 (class size is limited to 16 students)**

**Homework Club** will be offered by volunteer high school students and parent volunteers, Marilyn Boucher and Karen Riccardi. In a 1:2 ratio environment, SLA students will be advised individually on how to problem solve and get support in completing their homework assignments. **Mondays, 6 classes, starting January 23rd. COST FREE! (class size is limited to 20 students)**

**Pick-Up Times will be strictly enforced. A student that is picked up late after one warning will be withdrawn from the after school activity and will not be allowed to register for any extra activities again.**
