

Student Leadership Academy 2021 Cross Country Meet Schedule and Directions

For all meets: Please plan to arrive 30 minutes before race time to ensure proper warm up. Some of these are FAR... please prepare for traffic!

Please prepare to stay until the final SLA finisher. I understand when you have previous commitments, but we want to be a strong, united, encouraging team. The final finisher is just as important as the first and deserves just as much celebration!

**Directions are all from Student Leadership Academy and can be accessed on the Cross Country page on SLAvenue.org.*
