

# STUDENT LEADERSHIP ACADEMY

October 13, 2023

Dear SLA Parents and Guardians,

Our teachers are continuously developing increased levels of content expertise. We have several teachers that are currently certified in one area but are teaching in a specific content area in which they are not certified. While working towards their certification for this content specialization, they are approved to teach out-of-field by our administration.

TEACHER	PROFESSIONAL CERTIFICATION AREA(S)	OUT-OF-FIELD AREA(S)
Alexis Coleman	Elem Ed K-6, M.G. Mathematics	6th Earth Space Science 8th Physical Sci Honors
Marion Huber	M.G. English, ESOL, Social Studies, Gifted	Art K-12
Lara Lobosco	Art K-12, Elem Ed, Primary Ed, Social Sci	7 <sup>th</sup> English Language Arts

Estimados padres y acudientes,

Nuestros profesores están continuamente preparándose para actualizarse académicamente. Actualmente tenemos profesores certificados en un área, pero enseñando otra asignatura para la cual no están certificados. Mientras se preparan para obtener dicha certificación, la administración de la escuela les permite enseñar una asignatura que no esté cubierta por su certificación.

If you have any questions or concerns, please feel free to contact me at 941-485-5551.

Sincerely,

Jonathan Cooley  
Principal
