

STUDENT PARTICIPATION POLICY FOR SCHOOL ACTIVITIES

In order to ensure academic responsibility and prioritize student learning, the Student Leadership Academy has established the following policy regarding participation in extracurricular activities, including athletics, clubs, performances, and other school-sponsored events:

Attendance Requirement

- Students must attend a minimum of **four (4) class periods** during the school day in order to be eligible to participate in any **school activities scheduled for that same day**.

Exceptions

- Pre-approved absences such as medical appointments, family emergencies, or school-related events may be considered on a case-by-case basis.
- Documentation may be required for absences to be excused and for eligibility to be maintained.

Enforcement

- Coaches, instructors and activity sponsors are responsible for verifying daily attendance eligibility with the school office.
- Failure to meet this requirement without valid excuse may result in the student being prohibited from participating in that day's activity.

Purpose: This policy is designed to promote regular attendance, reinforce the importance of academic commitment, and ensure students are present for their educational responsibilities.
